### Young Adult Blue<sup>SM</sup> eligibility

Young Adult Blue is specially designed to meet the health coverage needs of individuals ages 19 through 30. In addition to the age requirement, you must:

- ⋮ Be a Michigan resident and live in the state for a minimum of six months each year
- ⋮ Not be eligible for any other Blue Cross plan, Medicare supplemental coverage or coverage through another group health plan

Young Adult Blue<sup>SM</sup> is not medically underwritten. This means you will not be excluded from coverage because of your medical history or current health status. It also means your rates won't escalate just because you have an incident that requires medical care.

Spouses and dependent children are not eligible for Young Adult Blue<sup>SM</sup>. If you need family coverage, Individual Care Blue<sup>SM</sup> may be a better option.
